Alexis Hou

Electrical Engineer
Greater Houston

Experience

Texas A&M University
Peer Teaching Assistant
September 2020 - December 2020 (4 months)
College Station, Texas, United States

Upkey
Summer Intern
May 2020 - July 2020 (3 months)

- Collaborated with a group of interns in a Capstone Project for the company LRNG in performing market research, wireframing a prototype for a new registration UX design, planning out virtual meetings and objectives, and presenting our findings to the company
 - Evaluated and identified UX design issues that needed improving upon for LRNG's website
- Ex: Including a show password option, a call to action on the landing page for new users, more personalization options in the registration
- Created a business plan and marketing strategy for a potential service that allowed parents to rent toys instead of buying new ones, to save their money and time as well as reduce plastic waste

Kroger
Cashier
June 2019 - August 2019 (3 months)
Katy, Texas, United States

- Ensured repeat business transactions between the customers and store through considerate and friendly customer service
- Managed multiple customer problems at once from educating customers on how to use the machines to guiding customers to wherever they need
- Operated duties requiring efficiency and ability to multitask under stressful situations
